## **TOP UPDATES**

### **New Acting Director of EOIR**

Attorney General Jeff Sessions has selected James McHenry as the acting Director of the Executive Office for Immigration Review (EOIR).

-

### **New Acting District Director for New York**

NYIC: John Thompson, the current District Director for Newark, will be acting District Director for New York starting next week. He will be in that position for up to 120 days, unless they hire a permanent replacement by then. We'll get to meet him at the next USCIS Liaison Meeting. As a reminder, the agenda-setting meeting for the liaison meeting will be this coming Tuesday (May 30th) at 9:30AM at the NYIC offices (131 W. 33rd Street, suite 610; New York, NY 10001). If you want to participate in the liaison meeting your organization must send a representative to the agenda-setting meeting.

### **AILA: Trump Administration Budget Aims to Undermine Due Process and Implement Mass Deportation Plan**

AILA opposes the Trump administration's newly released FY2018 budget request, which would fund massive increases in immigration enforcement and border security and undermine due process in immigration law. AILA Doc. No. 17052361. Includes a list of some of the key budget concerns.

### **Muslim Ban Struck Down Again**

The full 4th Circuit Court determined that Trump's Muslim and refugee ban is unconstitutional. The federal appeals court opinion proclaims that the ban "drips with religious intolerance, animus, and discrimination."

### **U.S. Quietly Lifts Limit on Number of Refugees Allowed In**

NYT: "Despite repeated efforts by President Trump to curtail refugee resettlements, the State Department this week quietly lifted the department's restriction on the number of refugees allowed to enter the United States. The result could be a near doubling of refugees entering the country, from about 830 people a week in the first three weeks of this month to well over 1,500 people per week by next month, according to refugee advocates. Tens of thousands of refugees are waiting to come to the United States."

### **Haitian TPS's six-month extension requires re-registration before 7/24/17**

Federal Register: "Provided a Haiti TPS beneficiary timely re-registers and properly files an application for an EAD during the 60-day re-registration period, his or her employment authorization will be automatically extended for an additional period not to exceed 180 days from the date the current EAD expires, i.e., January 18, 2018. See 8 CFR 274a.13(d)(1). TPS beneficiaries are reminded that, prior to January 22, 2018, the Secretary will re-evaluate the designation for Haiti and decide anew whether extension, redesignation, or termination is warranted. During this period, beneficiaries are encouraged to prepare for their return to Haiti in the event Haiti's designation is not extended again, including requesting updated travel documents from the Government of Haiti."

- Op-Ed: Six-month extension for Haitian TPS is not enough.
- USCIS Invitation to Teleconference on TPS Extension for Haiti

### **Border Conditions**

HRF: "Wanted to share this video on Facebook, and a blog by our colleague Shaw Drake, that illustrate the challenges that refugees are facing in the U.S. asylum system under the Trump administration. Threatened Mexican journalist 'Martin' (full name withheld) who was initially turned away at the border, only to be allowed in when an attorney accompanied him and pushed the CBP agents to follow the law."

### **NYT Research on How Sheriffs Are Shaping Immigration Enforcement**

Since President Trump took office, an increasing number of sheriffs have applied for new 287(g) memorandums of agreement (MOAs) with Immigration and Customs Enforcement (ICE). And immigration arrests and deportations of nonviolent offenders have increased dramatically.

## **CALLS TO ACTION**

- **Help Needed in Texas:** ADC: we are sending out an call for attorney's to help with immigration detainees at South Texas Detention Center. Even if an attorney can't take on a case entirely but can volunteer to go to a master calendar hearing or just an individual hearing that would be helpful. We have 3 defensive asylum cases in need of an attorney in Pearsall, Texas. If you or you know anyone that can help, please email me at [yrdon@adc.org](mailto:yrdon@adc.org) or call my direct office line at [202-536-4790](tel:202-536-4790).
