Updated Arlington asylum denial rate are out.

Bain: 68.2% denial rate
Bryant: 32.4% denial rate (we'll miss you!)
Burman: 21.4% denial rate (please NEVER RETIRE!)
De Cardona: 74.1% denial rate
Choi: 88.6% denial rate
Donoso Stevens: 57.1% denial rate
Farrar-Crockett: 66.1% denial rate
Hlad.: 69.8% denial rate
Hong: 30.9% denial rate (we miss you already...)
Lukose: 62.4% denial rate
McKloskey: 91.3% denial rate (holy smokes!)
Mendez: 52.6% denial rate
Nadkarni: 70.1% denial rate
Perlman: 56.4% denial rate
Snow: 43.8% denial rate (remember the days when he was "the tough one"?!?!?)
Soper: 35.9% denial rate
Spath: 62.3% denial rate
Torg: 72.6% denial rate

Overall Arlington denial rate: 51.7 percent
Last year: Arlington denial rate was 40.6 percent
Year before: Arlington denial rate was 34.3 percent
Year before _that_: Arlington denial rate was 29.4 percent

(Don't ask about the national averages, it'll make you want to quit the practice of law and open a wine bar.)

Conclusion: Arlington is no longer the Arlington of yore.
